ONE | eat, drink,  
and be merry

# eating out

- 1 Next time you're out for dinner, write sexual suggestions on your napkins and swap with each other.
- 2 Every time you have sex, place \$10 in a safe place. When you have enough money, spend it on a romantic dinner.
- 3 When you find yourself at a restaurant table with a long tablecloth, use your feet to bring your lover to orgasm. Don't stop when the waiter's there.
- 4 Pretend you're on your honeymoon (married or not, engaged or not—don't make it significant) and can't get enough of each other. Feed each other by hand, link arms and drink champagne, kiss and fondle. Who knows; if you convince those around you, they may buy you dessert!
- 5 Before you go out, write a steamy, suggestive, anonymous note. When you get to the restaurant, slip it to the waiter to deliver to your partner during the course of the evening. Observe their reaction and ask about the content of the note. The rest is up to you.

# come and get it

- 6 Feed your blindfolded lover a special meal you have prepared. If they can correctly guess what they're eating, they win a full body massage.
- 7 Dress up like a waiter/waitress and tease each other while serving a favorite meal.
- 8 Your lover blindfolds you and places some food on your naked body. If you can guess what it is, you win and your lover eats it off. If not, your lover can make a wish and ask you to carry it out.
- 9 Make a list of ten ingredients that make for great sex.

10 Plan a menu for lust. Appetizers might include taking the phone off the hook, putting on sexy music, and dancing naked in the living room; the main course might include a bottle of good wine and massage oil; dessert might involve chocolate and sweet words.

11 Have a food fight in the nude so you can clean up later with your mouths and tongues.

# passion fruit

- 12 Take a luscious ripe cherry and stroke it slowly around your partner's lips. Place the polished surface against your own lips, then take a nibble from it before popping it into their mouth.
- 13 Prepare your favorite fruit and arrange it artfully over your lover's naked body before eating it off.

- 
- 14 Take turns rubbing a ripe, warm, juicy orange or mango all over your lover's body. Lick off as much as you can. The one to do the best job cleaning off the other wins a sexual favor of their choice.
  - 15 Talk about something erotic you'd like to do with fruit (or a vegetable). Go to the grocery store and consider the possibilities.
  - 16 Get a collection of fruit juices—strawberry, orange, pineapple, mango, guava, peach, apricot, blackberry—and have your lover close their eyes. Cover their lips with juice, then lick them clean. Try the flavors one by one and have your lover guess each fruit.

# icecapades

---

- | 7 Pass an ice cube from mouth to mouth. The first to drop it has to perform any sexual act the winner wishes.
- | 8 Dust talcum powder all over your partner's body. Take an ice cube and use it to make patterns through the powder. The feeling of cold on hot skin is sensational.

# foreplay feast

Work up your lover's anticipation during the day with a campaign of erotic suggestions sent along in their lunch or briefcase.

- 19 Send chocolates with a sexy note to your lover.
- 20 Make sandwiches and include a photo of yourself naked in the wrapping.
- 21 Phone your lover at lunchtime and tell them what part of their body you would like to eat.
- 22 Tear a page from an adult magazine or lingerie catalog, fold it up, and put it in their pocket (be sure this won't get them fired).
- 23 Tuck a banana or mango into their lunch with suggestions for how they can enjoy it.

# desirable desserts

- 24 Make a plaster cast mold of your lover's genitals and cast chocolate statues to be eaten before, during, or after sex.
- 25 Make a sundae on your lover's genitals or breasts using your favorite sauces, fruit, and whipped cream. Decorate with nuts or sprinkles, and don't forget the cherry. Then dig in.

# drinking games

- 26 Invent a new soft drink or cocktail and name it after your lover.
- 27 Place an old blanket on the ground and have your lover lie on it. Pour your favorite champagne into your lover's navel and over their stomach. Try to drink it before it hits the blanket.
- 28 Fill water pistols with wine and squirt each other before licking clean.
- 29 Organize a naked cocktail party for two and use different parts of the body to hold the drinks.
- 30 Have your man use his penis to stir your drink, then place it in your mouth so you don't waste a drop.

# finish the fantasy...

3 | Sitting in a cocktail lounge, I could sense someone looking at me. As I casually turned my head, an attractive figure caught my eye. My date was now half an hour late, and I was getting impatient. I forgot my troubles, however, when the gorgeous stranger now looking my way gave me a wink and suggestively moistened their lips with their tongue. The stranger held up a glass of champagne and toasted me. How should I respond? Should I hold out for my date, get up and introduce myself, or wait for the stranger to approach? The bartender served me another drink...
