## More Praise for *Be Yourself, Everyone Else Is Already Taken*

“The title alone is such a profound reminder for all of us, and the book delivers a marvelous manual of authenticity. I’m so glad to recommend it and live its principles.”

—SARK, author/artist, *Juicy Pens*, *Thirsty Paper*

“In this book Mike Robbins challenges us to be ourselves, speak our truth, and live with authenticity. Utilizing these principles will allow you to take your life, work, and relationships to the next level.”

—Tom Rath, *New York Times* best-selling author, *StrengthsFinder 2.0*

“Mike Robbins has taken the concept of authenticity and put it on the map. With so many self-help books going over safe and well-worn territory, here is a groundbreaking and well-written treatise on something we all need and that has before this eluded clarity. This is an excellent book!”

—Fred Luskin, Ph.D., author, *Forgive for Good*, and director of the Stanford Forgiveness Project

“*Be Yourself, Everyone Else Is Already Taken* is a bold call for each of us to ‘wake up’ and be real. As Mike Robbins models, writes about, and teaches us, our world needs people who are willing and courageous enough to be vulnerable and authentic. This is an important book that gives you a pathway to being more real in your life, your work, and your relationships.”

—Lynne Twist, author, *The Soul of Money*, and cofounder of The Pachamama Alliance

“We criticize politicians for not being real with us, but when is the last time you tried to distinguish between

---

your own ‘public self’ and the real you? Mike Robbins has tackled this timely topic with great skill and depth. What does it mean to live authentically? Are you truly being yourself? The answers are all here in this highly accessible, eye-opening book that is certain to have an impact on your life.”

—Susan Page, author, *Why Talking Is Not Enough*

“Mike Robbins knows the secret about the difference between presence and performance that all we perennial adolescents have to learn in this culture to finally grow up. And he is very articulate about it! He teaches that authenticity, intimacy, joy in living, and success in life depend upon our ability to be present to each other and honestly report what we have done, what we think, what we feel, and what we notice. And he also knows that we have to stick with each other until we are clear and complete, whether, in the end, we agree or disagree—no schemes, no hidden agendas, no bullshit. More power to you, Mike! This is a wonderful book!”

—Brad Blanton, Ph.D., author, *Radical Honesty*

“I cannot think of a better person than Mike Robbins to write a book on authenticity. He totally gets it and he knows how to communicate it. This is one of those books that will have you say, ‘that book changed my life!’”

—Rich Fettke, coauthor, *Extreme Success*

“Mike Robbins is a model of everything he teaches. *Be Yourself, Everyone Else Is Already Taken* is a call to action. It challenges all of us to be who we are and to live authentic lives.”

—Yvonne and Rich Dutra-St. John, coauthors, *Be the Hero You’ve Been Waiting For*, and cofounders of Challenge Day

“Mike Robbins and I were both blessed to have Richard Carlson as our dear friend. It’s through Richard that I have

---

come to know Mike, whom I have discovered to be one of the most kind, positive, and loving human beings I've ever had the privilege to know. He has discovered how to be himself, his true Self, and with great candor, humility, and eloquence shares with the reader how to achieve the same in their own lives. This work is simple, complete, and profound. I highly recommend it for anyone who is done trying to be someone who they are not and wants to just be themselves."

—Joe Bailey, author, *Fearproof Your Life*

"*Be Yourself, Everyone Else Is Already Taken* is written with openness and passion. In this powerful book, Mike Robbins teaches us simple but profound ways to be more real and conscious in our lives and relationships."

—Kris Carlson, author, *Don't Sweat the Small Stuff for Women*

"Mike Robbins's wonderful new book, *Be Yourself, Everyone Else Is Already Taken*, is a brilliant, insightful guidebook on the path to freedom . . . freedom from the fear of being unacceptable and unworthy . . . freedom from the fear of not being 'enough.' Inside you—right now—a voice is crying out to be liberated from that prison of fear. Your heart longs to be free from pretense, deception, and insecurity. Your deepest, most 'authentic' being is crying out for honesty, acceptance, and unconditional love. Nurture that yearning and give that voice a song by reading and digesting this delicious, empowering book. I highly recommend it!"

—John Welshons, author, *Awakening from Grief*

"This book is for everyone who ever second-guessed themselves. Mike Robbins shows you how to face your fears and tell the world the truth about who you really are. An inspiring

---

writer—and a really cool guy—Mike Robbins is like Wayne Dyer meets Tony Robbins meets your most supportive friend. With inspiration, hope, and humor he takes you by the hand and shows you how to become who you were always meant to be.”

—Lisa Earle McLeod, syndicated columnist, author,  
*Finding Grace When You Can't Even Find Clean Underwear*

“Mike Robbins writes with clarity and heart. *Be Yourself, Everyone Else Is Already Taken* gives you powerful tools and insights for living your life with greater depth, awareness, and authenticity.”

—Christopher Andersonn, author,  
*Will You Still Love Me If I Don't Win?*

“An inspirational, accessible, and very practical book on cultivating essential practices and principles for maintaining one's authenticity, self-respect, and self-trust, in order to be a consistent and original contributing force in one's family, community, and the world. Relevant for all ages and professions!”

—Angeles Arrien, Ph.D., author, *The Second Half of Life*

# acknowledgments

My heart is filled with gratitude, love, and appreciation as I reflect on all of the wonderful people who've supported me in the creation of this book, in my life, and with my work.

First and foremost, Michelle Benoit Robbins, thank you for being such an amazing woman, wife, and mother. I'm so grateful to be married to you, and I appreciate the way you love me, the way you take care of our girls and our family, and how you show up in life. Thank you for supporting me in writing this book while you were pregnant and chasing a toddler around—you're incredible! Samantha Benoit Robbins, thanks for being my "extra spicy girl" and for the way you express yourself so passionately. You are such a great teacher to me and mommy, and I love you very much. Annarose Benoit Robbins, thanks for coming into this world and bringing your peaceful, beautiful spirit into our family. You had a big influence on this book from your mommy's belly, and we're so grateful to be your parents.

Richard Carlson, I miss you, brother, and feel your loving presence around and within me all the time. I continue to be grateful for all the ways you did and still do

teach and mentor me. Kris Carlson, thank you for your amazing support of me, our family, and my work. Your generosity is incredible, and I appreciate all that you did to support me in writing this book.

Chris Andersonn, thank you for all that you've done and still do to help me get in touch with who I really am. Rich Fettke, your generosity and mentorship allowed me to step onto this path of writing, and I'm eternally grateful to you for that and so much more. Rich and Yvonne Dutra-St. John, you both inspire me in how you live your lives; do your work; and love each other with such passion and authenticity.

Lois Robbins (mom) thanks for your enthusiasm, for always encouraging me for to go for it, and for your commitment to me and our family. Ed Robbins (dad), thank you for teaching me how to express myself with passion and heart, and for reminding me that people are always more important than things. Lori Robbins, I'm grateful to be your brother and appreciate your love and support. Rachel Cohen, thanks for being you, for teaching me so much, and for always being willing to tell the truth.

Susan Miller, you're a great assistant and a wonderful friend. Thank you for taking such good care of me and supporting our entire family. Tyson Wooters, what a gift you've been to my life and my business. Thanks for all that you've done to support me and my work. Linda Chester, I appreciate having you as my agent and how you've helped make my dream of being an author come true. Alan Rinzler, thanks for your editing, for being who you are, and for

teaching me so much about myself and about writing. Jennifer Wenzel, I'm grateful to work with you and to have you as a friend. Thanks for your contribution to this book and your dedicated support.

Steve Farrell, thanks for your contribution to this book and for all the ways you've contributed to my life for so many years. I'm grateful for our connection and for all the ways you've inspired me to "step out" and be myself. Theo Androus, your friendship and support continue to bless my life. Thanks for challenging me, teaching me, and being the incredible man that you are. Jess Bart-Williams, I love how real you are and appreciate your honest feedback, support, and friendship. Arthur Bart-Williams, thanks for being who you are and for how you support me and our family. John Brautovich, I'm grateful for our friendship and love how you show up in my life.

Jerry Benoit and Chris Seger, I'm grateful to have you as in-laws and appreciate your generous support. Georgie Weston, Rosa Ibarro, Kerry McIlvenna-Davis, Pam Quinn, Galaxy Hasley, and Amy Brain, thank you for taking care of my girls and supporting our whole family while I was writing and with all my travel and work. I'm so grateful for each of you.

Johnny and Lara Fernandez, I appreciate who you are, how you live your lives, and how you support me, my work, and our family. Sean Flikke, you are one of a kind, my friend, and I'm grateful for your love, support, and friendship. Asa Siegel, I love you, brother, and I'm grateful for the longevity, depth, and mutual support of our friendship. Susan Ariel Rainbow Kennedy, thank you for your

friendship and inspiration. Fred Luskin, I appreciate your support, guidance, and mentorship.

Clint Greenleaf, Terces Englehart, David Ferrera, Scott Halford, and Holly Stiel—thank you for your contributions to this book, your honesty, and your support of me and my work. I'm honored to have you as friends.

Debra Hunter, Paul Foster, Nana Twumasi, Mike Onorato, Tolu Babalola, Adam Levison, Libby Powell, Carrie Wright, Carol Hartland, Erin Beam, Joanne Farness, Sophia Ho, Keira Kordowski, Susan Geraghty, Dave Horne, and everyone else at Jossey-Bass and Wiley who has been involved with this book and working with me, thanks for your hard work, commitment, and support. It's an honor for me to be a part of your team.

To all of those I didn't mention specifically—friends, family members, clients, colleagues, coaches, mentors, speakers, authors, teachers, teams, organizations, and others who've supported me in writing this book, along my path, and in my life and work—thank you for encouraging me, challenging me, teaching me, being there for me, and helping bring out the best in me.

Finally, as a way of practicing what I preach, being vulnerable, and celebrating myself—I appreciate me. For having the courage to write this book; for balancing everything in my life to make it happen; for my commitment and dedication to my own growth and to being real; and for my vulnerability, heart, and passion—I acknowledge myself!

be yourself  
*everyone else is  
already taken*

---

# introduction

We live in a culture that is starving for authenticity. We want our leaders, our co-workers, our family members, our friends, and everyone else we interact with to tell us the truth and to be themselves. Most important, we want to have the personal freedom and confidence to say, do, and be who we really are, without worrying so much about how we appear to others and what they will think or say about us.

Sadly, however, even though we may say we want to live in a way that is true to our deepest passions, beliefs, and desires, most of us don't. We've been taught by our parents, teachers, spouses, friends, co-workers, politicians, the media, and others that it's more important to be liked and to fit in than it is to be who we truly are. In addition, many of us assume that who we are is not good enough, and therefore we're constantly trying to fix ourselves or to act like others we think are better than us.

However, the message of this book is, as the famous nineteenth-century author and poet Oscar Wilde so brilliantly stated, "Be yourself, everyone else is already taken."

## Our Resistance to Authenticity

How often do you not do or say something you really want to because you're worried about what others might think? For most of us, including me, this happens many times on a daily basis. It's not that we intend to lie or deceive people in some overt or malicious way (although sometimes we do); it's mainly that we've been trained to do and say what we think others want us to, or what we guess will be "appropriate" in any given situation. We basically don't believe we can truly be ourselves and still "make it" in life.

When it comes to being authentic, the bottom line for most people I know or work with, and for myself as well, is that we're scared. We don't want to deal with what we imagine to be the consequences of authenticity—people's judgments and reactions, our own fears and doubts, possible failure or rejection, and more—so we just shut up and try to fit in. In addition, being true to ourselves takes real courage, commitment, and awareness. We often aren't willing to do what it takes to live our lives, do our work, communicate with others, create relationships, and look deeply at ourselves with a real sense of authenticity and truth. And, even when we do, it can be such a vulnerable and scary experience for us, we're not sure if we've ultimately done more harm than good—to ourselves and others.

As I travel around the country and speak to groups of all kinds—at businesses, nonprofits, government agencies,

universities, churches, schools, public seminars, bookstores, and elsewhere—the challenge and desire for authenticity resonate deeply with the people I talk to. Most of the clients I’ve worked with one-on-one as a coach over the years have also struggled with their desire to have a real sense of authenticity in their lives. This is the paradox of authenticity; we both seek it and fear it at the same time.

## **How This Book Works**

*Be Yourself, Everyone Else Is Already Taken* is a book that shows you how to move through the fears and limitations that prevent you from living true to yourself and how to bring more authenticity into your life. This book is about noticing and taking responsibility for the societal forces, people around you, and personal beliefs that can stop you from being authentic, and, most important, how you can move beyond what holds you back and be even more real with yourself and others in your life.

The ideas, principles, exercises, and practices laid out in this book give you specific techniques that allow you to

- Confront and transform your fear
- Express yourself fully and with confidence
- Deal with conflicts directly and resolve them effectively
- Take risks and go for what you truly want

- Keep things in perspective and have more fun
- Trust, forgive, and celebrate yourself
- Have more freedom, peace, and confidence in your relationships, your work, and your life

Authenticity is a process. It's something that continues to evolve throughout our entire lives. We can't become "authentic" in the same way we can earn a degree or accomplish a financial goal. Authenticity—like love, health, courage, awareness, patience, and more—is an ideal we aspire to and is something we must practice in the moment-by-moment, day-by-day experiences of life. Our ability to be real can and will deepen as we move through our journey of life, if we're conscious about it. Becoming more of who we really are is a process that never ends. As the famous saying goes, "there is no way to peace, peace is the way." The same could be said about authenticity.

No book, workshop, teacher, or anything else can make you "authentic" in a quick and easy way. Authenticity has to come from deep within you. This book, however, will help you confront some of your own personal challenges with being honest and genuine, and presents many powerful principles that when integrated into your life on a regular basis can allow you to access a deeper place of truth within you. This book can be a catalyst for you to be yourself in a more real way—thus giving you the profound peace, freedom, power, liberation, joy, depth, and fulfillment that accompany authenticity.
